

Cornwall Spring 2025 Mini-Break

Monday 12th May to Friday 16th May

A low cost, five day, 4 night mini-break in Cornwall

Organisers:

Bob and Nicky Ward. 07399 106674. bobwardus@gmail.com

This is aimed to be a low cost walking holiday aimed at everyone. The catch is that accommodation, food and travel are not arranged for you so you have to figure that out yourself. For those who are not internet savvy when it comes to booking accommodation, I am here to help. The walks program however will be arranged.

How it works :

The organisers, Bob and Nicky Ward, will be staying in a static caravan at Newquay Holiday Park for the duration of the trip. You need to book your own accommodation at either Newquay Holiday Park or any other place you fancy (B&B or whatever) if you prefer. You can book all or just some of the nights of the trip. Make arrangements for your own meals and your own transport. Meet at the walk start points on the days you wish to walk and in the evening we will choose a pub to all meet up to socialize and have dinner if you like (most people do).

There is no deadline for this trip, you can leave it until the last day to decide however accommodation may be limited. There is no minimum number to make this trip a go. Please let myself know if you are coming so I can ensure you get the walks programme.

Accommodation where organisers are staying:
